Phoenix	478-882
Rancho California (Temecula)	210-960
San Diego County	303-609
Tucson	550

This is a blind taste test.

The TDS of the samples (mg/l)

100

500

1000

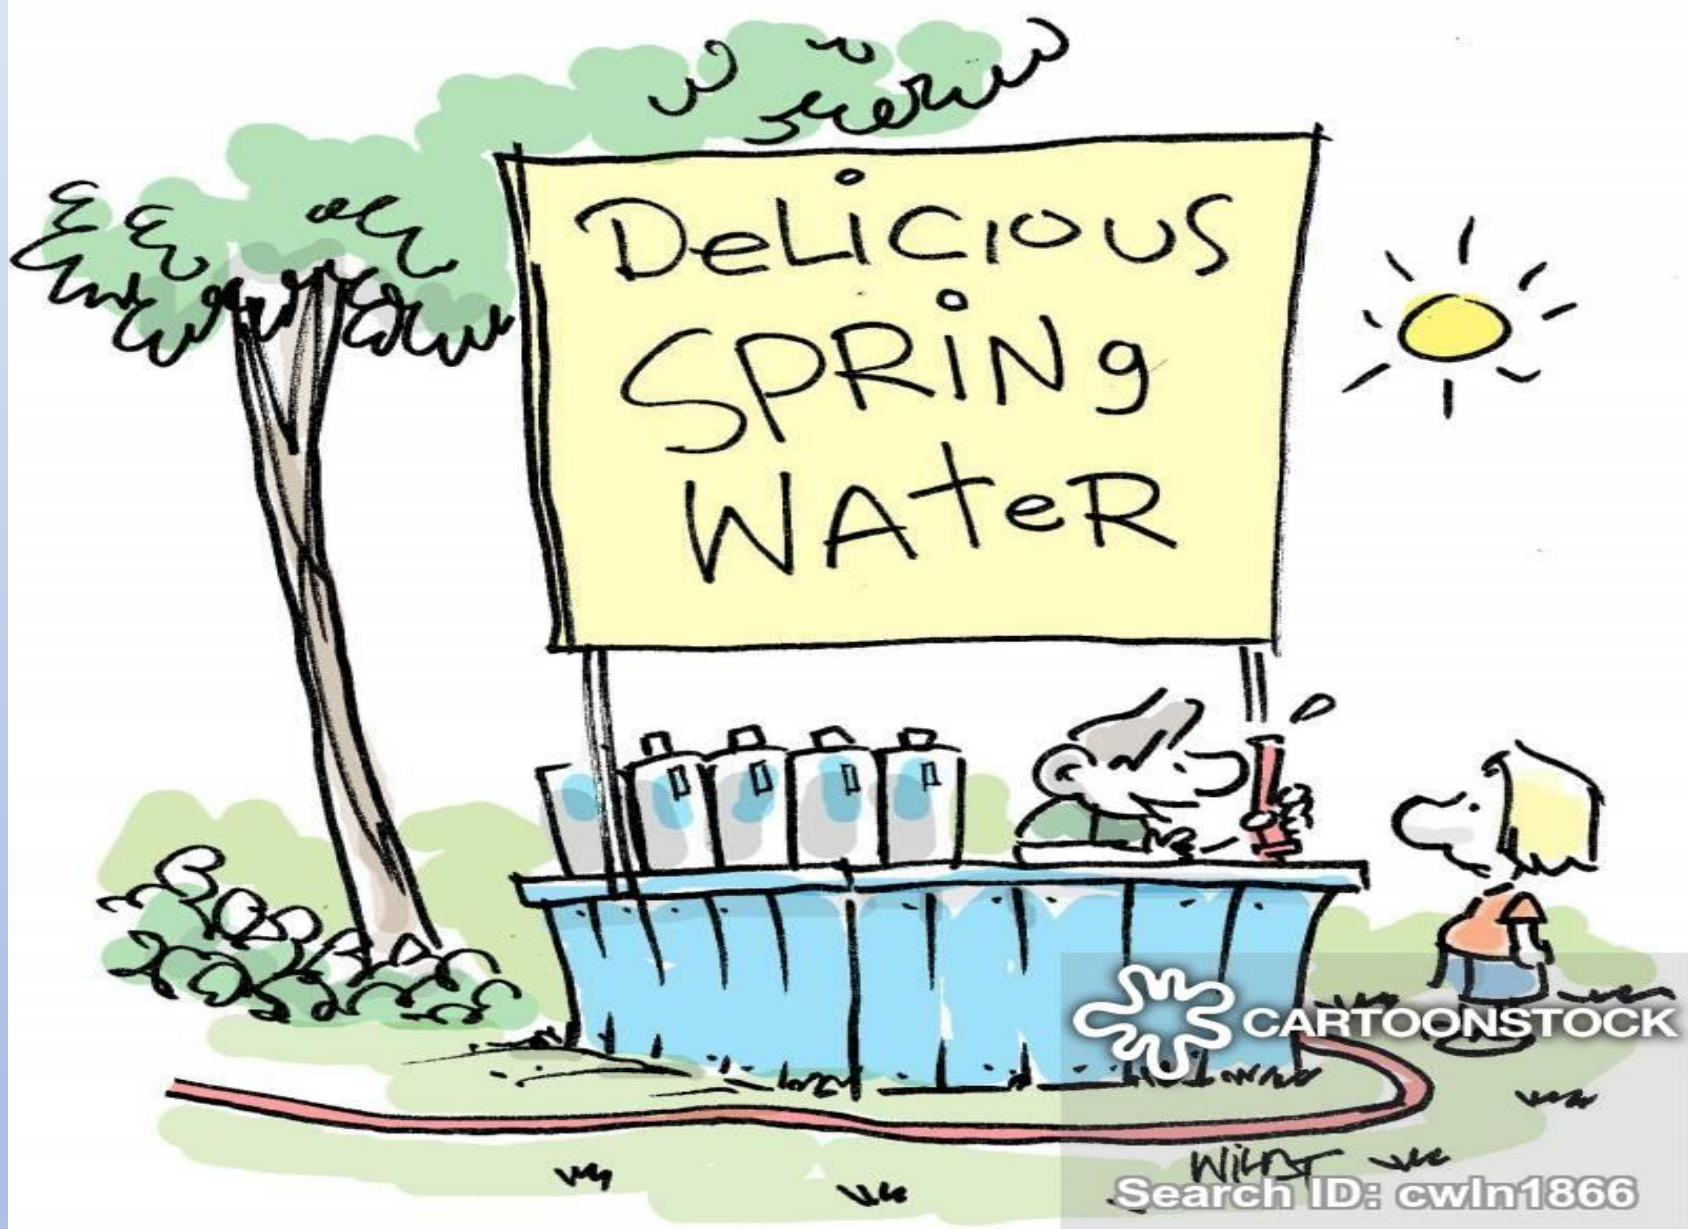

1500

Each contestant will attempt to match each of the samples with the correct TDS based on its taste.

Let the tasting begin!!

"Of course it's real spring water. I got it out of this hose last April!"
